PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 02/14/2018 and 03/23/2018.

The probation officer believes that the offender has violated the following conditions of supervision:

Violation Number Nature of Noncompliance

6

Special Condition #15: You shall abstain from the use of illegal controlled substances, and shall submit to testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On or about June 8, 2018, Mr. Campos consumed methamphetamine.

A request to modify Mr. Campos' conditions was reviewed with him on July 12, 2016. He signed a waiver to modify conditions acknowledging an understanding of his conditions which includes special condition number 15, as noted above. The Court accepted the modification to Mr. Campos' conditions on July 12, 2016.

On June 8, 2018, Mr. Campos reported to the United States Probation Office. During that visit, a urinalysis (UA) sample was collected which yielded a presumptive positive result for methamphetamine. The sample was sent to Alere Toxicology (Alere) for confirmation. Mr. Campos denied consuming methamphetamine.
